

Important Notice from Electrical Insurance Trustees Benefit Funds Regarding Women's Health Benefits

As required by the Women's Health and Cancer Rights Act (WHCRA) of 1998, the plan provides coverage for:

- All stages of reconstruction of breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses; and
- Treatment of physical complications of stages of mastectomy, including lymphedemas, in a manner determined in consultation with the attending physician and the patient. Such coverage may be subject to annual deductibles and coinsurance provisions as may be deemed appropriate and are consistent with those established for other benefits under the plan or coverage. Written notice of availability of such coverage shall be delivered to the participant upon enrollment and annually thereafter.
