

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the <u>plan</u> would share the cost of covered health care services. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, www.bcbsil.com or by calling 1-800-862-3386. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. Important Questions	Answers	Why this Matters:
What is the overall deductible?	<b>\$600</b> / Individual, or <b>\$1,200</b> / Family	Generally, you must pay all the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <b>deductible</b> until the total amount of <b>deductible</b> expenses paid by the family member meets the overall family <b>deductible</b> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventative care</u> and Chiropractic services are covered before you meet your <b>deductible</b> .	This <u>plan</u> covers some items and services even if you haven't met the annual <u>deductible</u> amount. But a <u>co-payment</u> or <u>co-insurance</u> may apply. For example, this <u>plan</u> covers certain preventative services without cost-sharing and before you meet your <u>deductible</u> . See a list of covered preventative services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet <b>deductibles</b> for specific services.
Is there an <u>out-of-</u> <u>pocket limit</u> on my expenses?	In-Network Medical: \$3,000 / Individual or Family Out-of-Network Medical: \$5,000 / Individual or Family In-Network Prescription: \$4,150 / Individual or Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they may have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limits</u> has been met.
What is not included in the out-of-pocket limit?	<u>Co-payments</u> for certain service, <u>premiums</u> , <u>balance-billed</u> charges, non-PPO <u>co-insurance</u> , hearing aid <u>co-insurance</u> , and health care this <u>plan</u> does not cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. Visit www.bcbsil.com or call 1-800-810-2583 for a list of participating providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a provider in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <b>specialist</b> you choose without a referral.

All **co-payments** and **co-insurance** costs shown in this chart are after your overall **deductible** has been met, if a **deductible** applies.
