

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost of covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, [www.bcbsil.com](http://www.bcbsil.com) or by calling 1-800-862-3386. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform) or call 1-855-756-4448 to request a copy.

Important Questions	Answers	Why this Matters:
<p><b>What is the overall deductible?</b></p>	<p>\$600/individual or \$1,200/family</p>	<p>Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>. If you participate in the <u>plan's</u> HRA, the HRA will pay for or reimburse you for certain, qualified medical expenses as determined by IRS Section 213(d) for amounts not paid by any other health care coverage, up to the balance available in your HRA. You must be eligible for Plan coverage on the date of service to be eligible for reimbursement.</p>
<p><b>Are there services covered before you meet your deductible?</b></p>	<p>Yes. <u>Preventative care</u> and Chiropractic services are covered before you meet your <u>deductible</u>.</p>	<p>This <u>plan</u> covers some items and services even if you haven't met the annual <u>deductible</u> amount. But a <u>co-payment</u> or <u>co-insurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventative services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u>. See a list of covered <u>preventative services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p><b>Are there other deductibles for specific services?</b></p>	<p>No.</p>	<p>You don't have to meet <u>deductibles</u> for specific services.</p>
<p><b>What is the out-of-pocket limit for this plan?</b></p>	<p><b>In-Network Medical:</b> \$3,000/individual or family <b>Out-of-Network Medical:</b> \$5,000/individual or family <b>In-Network Prescription:</b> \$5,550/individual or family</p>	<p>The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they may have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>
<p><b>What is not included in the out-of-pocket limit?</b></p>	<p><u>Co-payments</u> for certain services, <u>premiums</u>, <u>balance-billed</u> charges, non-PPO <u>co-insurance</u>, penalties for failure to obtain <u>preauthorizations</u> for services, hearing aid <u>coinsurance</u>, and health care this <u>plan</u> does not cover.</p>	<p>Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</p>
<p><b>Will you pay less if you use a network provider?</b></p>	<p>Yes. Visit <a href="http://www.bcbsil.com">www.bcbsil.com</a> or call 1-800-810-2583 for a list of <u>network providers</u></p>	<p>This <u>plan</u> uses a <u>provider network</u>. You will pay less if you use a <u>provider</u> in the <u>plan's network</u>. You will pay the most if you use an <u>out-of-network provider</u>, and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.</p>
<p><b>Do you need a referral to see a specialist?</b></p>	<p>No.</p>	<p>You can see the <u>specialist</u> you choose without a <u>referral</u>.</p>

All **co-payments** and **co-insurance** costs shown in this chart are after your overall **deductible** has been met, if a **deductible** applies.
