This Benefits Update supplements the information contained in that Summary Plan Description.

Prescription

In-Network, Out-of-Pocket Maximum

The Trustees have added an annual maximum out-of-pocket limit ("MOOP") for in-network prescription drugs. This means that once you reach the prescription drug MOOP in a calendar year, you will not have to pay any prescription drug copayments or coinsurance for the remainder of that calendar year.

The annual in-network prescription drug MOOP will be determined by the Fund Office at the beginning of each Plan year. This MOOP is calculated by subtracting the Plan's current annual in-network medical maximum out-of-pocket limit from the annual limitation for out-of-pocket maximums under the Affordable Care Act.

For individual and family coverage, your annual in-network prescription drug MOOP for the Plan year beginning July 1, 2015 was determined as follows:

$$\mathbf{\$6,600} \text{ (Act MOOP)} - \mathbf{\$3,000} \text{ (Plan Medical MOOP)} = \mathbf{\$3,600.00}$$

Medical
