

# Disabled Dependent Procedures

## PLEASE READ CAREFULLY

Enclosed is the application necessary to file a request disabled dependent coverage if you have a dependent child who is disabled and is over age 26.

In order for your disabled dependent to be covered under the EIT Health & Welfare Plan ("Plan"), you must maintain your Health & Welfare coverage and your child must rely on you or your spouse for more than 50% of his or her financial support and normally reside in your home. The child is considered disabled if he or she is so severely impaired, physically or mentally, that he or she cannot perform in school or at work without assistance, and he or she is not capable of self-support. The impairment must be considered permanent or expected to last at least 12 months. The determination must be based on medical evidence. The child is not considered disabled if disability is solely due to alcoholism or drug addiction.

A completed application consists of the following:

- **Disabled Dependent Coverage Application**
  - Section 1: Must be completed by you
  - Section 2: Must be completed by your child's attending physician
- **Disabled Dependent Affidavit** (*must be notarized by a Notary Public*)
- **Copy of most current insurance or Medicare Card** (*if covered by another group plan or Medicare*)

If approved, we will periodically request documentation to support your dependent's continued condition(s) that prevent them from supporting themselves, this may include a detailed statement from your dependent's physician outlining the nature of the medical condition(s) that incapacitates your child.

Additionally, the attached Disabled Dependent Affidavit attesting that your child is not capable of self-support and that you provide more than 50% of his or her support must be completed and returned to the Fund Office. The affidavit must be signed and your signature must be witnessed by a notary public.

If you have any questions relating to any of these documents, please feel free to reach out to our Medical Department at 312-782-5442.
